HEROES Vs VILLAINS!

HELP THE CHARITY THAT HELPS YOU...

Retail Trust is the only charity here to look after all 3 million people working in retail.

They offer a range of services through their free, confidential and independent Helpline 0808 801 0808 including free debt and legal advice, hardship grants, counselling, help with education fees as well as redundancy support.

WHO WILL RAISE THE MOST?

Retail Trust Week is a fundraiser that everyone in retail can take part in and you can do whatever you like to raise money! This year's theme is Heroes Vs Villains. Which one will you be?

Why not change into a hero or villain and put the FUN into fundraising? By raising £1 or £100 you will be helping Retail Trust support people in retail who are in desperate need.
